BY

OLDSMOBILE

Built for the buyer who wants something better in the low-price field!

The New-Size, Low-Priced Car ... with *OLDS* style and spirit!

F-85 

by **OLDSMOBILE**

with big-car room and zip...

small-car savings and nimbleness!

COPYRIGHT 1966 • OLDSMOBILE DIVISION • GENERAL MOTORS CORPORATION

NOT TOO BIG...NOT TOO SMALL...JUST RIGHT FOR YOU!

The F-85 sets a new standard of style and quality in the low-price field. Crisp, sleek, neatly tailored from front to rear—here's design you can be proud of anywhere! But the real thrill comes when you *drive* this delightful, smaller-size Olds. It's so nimble . . . so responsive to your commands! The

exclusive new *aluminum* Rockette V-8 Engine delivers all the action you could want, with real economy . . . more miles per gallon on lower-cost, regular gas. Parks practically anywhere . . . maneuvers like it's part of you . . . seats six with ease. Be sure to drive the new F-85 before you buy *any* low-priced car!

Inside and Out...

every inch an **OLDSMOBILE!**

Oldsmobile designers did themselves proud when they created the skillful blending of handsome cloth and Moroccan trims inside the F-85! And they took care of your comfort and convenience, too—foam cushioned front seat . . . front arm rests . . . richly styled instrument panel set right where the driver can see all indicators and reach all controls. All F-85 exteriors have the gleaming durability—the same high-quality Magic-Mirror Finishes—as other Oldsmobiles. Take your pick of 15 sparkling colors!

Beautiful interior colors are offered in a wide variety of trim combinations in the F-85 and the De Luxe F-85. These include not only high-style fabric coverings on seats and doors, but also many all-vinyl Moroccan trims, if you prefer.

ROCKETTE

V-8 ENGINE

**STANDARD
ON EVERY F-85
... at no extra cost!**

PACKED WITH POWER!

The Rockette's got it—zip and zoom . . . smooth, quiet performance! Combine the hustle and muscle of this lively new Rockette V-8 Engine with the thrifty lightness of aluminum . . . and you enjoy *both action and economy!*

FUEL ECONOMY!

Here's just the kind of gas economy you expect from a smaller car! Oldsmobile's new aluminum Rockette V-8 Engine saves you money on lower-cost regular gas. And its high efficiency assures you of more miles per gallon!

PROVED DESIGN!

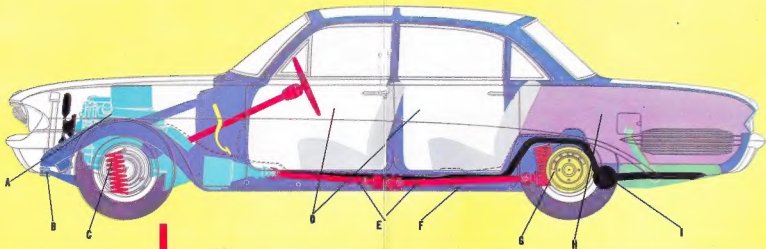

Experience in building over four million Rocket Engines stands behind the design of the new Rockette—a front-mounted, liquid-cooled V-8 that has proved its ruggedness and reliability—on all kinds of roads, under all kinds of conditions!

**Plus NEW HYDRA-MATIC®
WITH
ACCEL-A-ROTOR ACTION!**

Only the F-85 has it in the low-price field—now Hydra-Matic with Accel-A-Rotor action! The amazing 22-vane rotor speeds up the response . . . smooths out the getaway . . . moves you into economical direct drive in seconds!
*Optional at extra cost in all models.

Thrifty new way to step up to Oldsmobile Quality!

HANDLING EASE!**

**...the quality-built
F-85** fits the needs
of every buyer in the
low-price field!

Sedan or Station Wagon!

If you need a multi-duty car, the F-85 is for you! It has the ruggedness and economy you want for highway or in-town travel. For rough sportsman's use, the F-85 is as steady and sturdy as they come. Back home, it's sized right for a family of six. Housewives find it's a honey to handle... a peach to park. Everyone will delight to drive the F-85—agile as

an antelope in heavy traffic—and sized to fit easily in any garage.

Ideal for Fleet Use, Too!

Salesmen and fleet-car users will find the F-85 offers great advantages in comfort—legroom, headroom, luggage room... and it's a beauty in the bargain! Here's the husky quality you need for rugged, year 'round use... and for traditional Oldsmobile high resale value!

Heater—balanced air distribution throughout car—positive controls to suit your needs.

Air Conditioning—cool, clean comfort on the hottest days! Adjustable side outlets.

**F-85
